Important Notes for Applicants:

- You will be required to complete and sign a 'Declaration of Fitness to Parachute' before training commences (this will be provided when we confirm your registration).
- The minimum age for sport parachuting is 16 years. For those less than 18 years of age a separate signed letter of consent from a Parent or Guardian will be required before training commences. If you are 40 years of age or over, *or* you have suffered from any of the following, you must obtain written approval from your Doctor on the 'Declaration of Fitness to Parachute' form before commencing training:
 - Previous fractures, back strain, arthritis and severe joint sprains. Chronic bronchitis. Asthma. Rheumatic fever. Pneumothorax. Liver or kidney disease. Thyroid, adrenal or other glandular disorder. Chronic ear or sinus disease. Any condition which requires the regular use of drugs. Anaemia. Recent blood donation.

N.B: Some applicants who are excluded using the above criteria may still be fit to make a Tandem Skydive - contact British Parachute Schools for details.

No person over the age of 55 years will normally be accepted for novice parachute training, other than for Tandem Skydives, where high ages may be acceptable.

- You will not be allowed to undertake parachute training if you have ever suffered from any of the following medical conditions, unless you and your Doctor have obtained the prior approval of the Medical Advisor to the British Parachute Association (who may be contacted via the address on the 'Declaration of Fitness' form):
 - Epilepsy, fits, severe head injury, recurrent blackouts or giddiness, disease of the brain or nervous system, high blood pressure, heart or lung disease, recurrent weakness or dislocation of any limb, diabetes, mental illness, drug or alcohol addiction.

Important: Weight Limitations

Your weight (*fully clothed*) is a consideration when selecting your course. Please note the maximum weights shown for each course. Also, you should not be significantly overweight for your height. Be sure to read the medical/fitness notes provided with the Application.

You will not be accepted for a Tandem Skydive if you weigh more than: 15 stones (95Kg)

Your weight will be checked on the day of your course. If in doubt, please telephone us on 01949 860878
