

# Fundraising can be glamorous!

Raising money can be fun even in a recession. Instead of buying a new outfit and going out, why not have friends round and wear your favourite dress as part of Beaumont House's Frock Me! Night In fundraising season?

**Host a dinner party...watch a film...order a take away...have a BBQ. The choice is yours!**

#### How does it work?

You host the evening and ask your friends to bring a bottle and make a donation to Beaumont House.

You have a great night in with your friends, give that frock you haven't worn for years an airing and support a very worthy charity at the same time!

The first Frock Me! Night In was held by Lisa Holloway at Compton House on the 21st February and we hope this will encourage others to hold their own Frock Me! Night In.

If you're interested in hosting your own Frock Me! Night In please contact Beaumont House Fundraising Office on 01636 706802

The theme of the evening, how many people you invite, all girls or mixed groups and the donation you request is absolutely up to you. The only pre-requisite is that you enjoy yourselves and persuade your friends to host a Frock Me! Night In in return!
