

## **Zip Wire - Terms and Conditions**

**1** The minimum age for riders is 12 years old. Please do not book a place if the rider is under 12 years old on the day of the event. Riders aged 12-15 years old require a parent or guardian to be present, sign permission and will be required to complete a non-standard waiver.

**2** The entry fee is **£125**.

You may choose to pay this yourself, or ask for donations through fundraising or sponsorship.

There are two options:

**Fundraised Rider** - a £25 non-refundable deposit is required at the time of booking, an additional £100 must be raised. You can fundraise in a number of ways, but any donations made to you in cash will need to be received by Beaumont House no later than Friday 17th October.

**Outright Rider** - make a payment in full of £125.

Whilst the entry fee to take part is £125, you are welcome to fundraise and set your own personal target higher.

**3** All riders must agree to the conditions set out by Big Bang Promotions and complete a waiver. (Signed on the day of the event)
