

I would like to support Beaumont House Hospice Care

Just £3 per month can make such a difference to the lives of people supported at Beaumont House helping us to continue to give care, comfort, help and support to those people in the Newark area suffering with cancer and other long-term progressive illnesses. Just to give you an idea of the significant contribution you will be making, here are some ways in which your donation could be spent:

Will you make a **BIG** difference with a small donation?

- A donation of just £3 a month could enable someone to receive an hour of care and support from Beaumont House in their own home.
- A donation of £5.50 a month could pay for a patient to attend our day care for a day.

The generosity of the people of Newark and surrounding areas over the last 26 years has been amazing, but please help us once again by becoming one of our special regular donors.

Providing care and support to patients and their families costs Beaumond House around £1,000,000 every year. Approximately £750,000 of this income is raised through the generosity of the general public and local businesses throughout Newark and district. Around 25% of our funds are provided by the local Clinical Commissioning Group.

We raise money from a variety of sources, running many campaigns, challenges and events throughout the year. We are exceptionally grateful to all that choose to donate on behalf of Beaumond House.

Without these people and the incredible generosity of the local community, we could not continue to provide the care that we do.
