## DECEMBER 2023

We are delighted to announce that we have raised an amazing £13,302.50 including Gift Aid via The Big Give!

We would like to say a huge thank you to all of the donors who pledged their support and to everyone who helped to spread the word of our campaign.

Your support will enable Beaumont House to care for patients, and support carers and family members following a terminal diagnosis, when every moment matters.

# Winter Ball

Thank you so much to everyone who attended and supported our Winter Ball on Saturday 25th November at The Renaissance, Kelham Hall; our first ball in over four years.

Everyone looked fabulous and we hope you had a wonderful evening filled with music, fine food and dancing .

We are so grateful to our headline sponsor The Barcode Warehouse for kindly supporting the event, as well as all of the local companies who generously donated prizes for our raffle and auction.

Matt Colbourne, Head of Fundraising and Communications at Beaumont House says "It has been four years since our last Winter Ball and we are genuinely thrilled at the amount of people who came out to show some love for the hospice on this magical evening"

We look forward to announcing the total raised very soon, along with a date for next year's event.

# THANK YOU...

Here we proudly present our community Christmas star, which has formed part of an art installation at Belton House in Grantham, this Christmas.

A huge thank you to Emma from IMAGESKOOL the current Artist In Residence working with Newark Creates who came along to the hospice in October to create the star with our staff and patients.

Our star reflects elements of Beaumont House and all that we do. Also thank you so much to Belton House for this wonderful opportunity.

We are so grateful to Marshalls of Sutton on Trent Ltd who are very kindly donating £5 for every sale of their 2024 charity calendar.

Please contact them via email to [neth@marshallscoaches.co.uk](mailto:neth@marshallscoaches.co.uk) to reserve your copy.

Thank you Marshalls!

## Charity calendar 2024

2024 marks our 35th year in business, to celebrate this we have decided to produce a calendar with pictures of our buses and coaches through the years. Our staff have overwhelmingly voted to donate the proceeds from this to Beaumont House Hospice in Newark, a local charity whose work has affected many peoples lives.

We are hoping to produce these for around £12-£15 each (including P&P), to include a donation of around £5 per calendar to the charity.

Obviously we would like to raise as much as we can for Beaumont House, so we want to avoid having lots of calendars left over—therefore if you are interested in buying a calendar for charity, please drop an email to [neth@marshallscoaches.co.uk](mailto:neth@marshallscoaches.co.uk) to help us gauge how many to print.

*Thank you!*
